ACCESS Bolded name = Saved semen available

ACCESS should only be used for a single use artificial insemination of female partners that are not part of Animal AI or cryopreservation programs being utilized for embryo transfer. For optimum results, use only by one highly experienced AI technician. ACCESS is subject to availability. Accelerated Genetics, or its agents, will not make any guarantee or warranty, in conception order and/or gender. ©2011 Accelerated Genetics. Artificial insemination should be done at the customer's saved semen and for single use insemination only and not for embryo transfer or embryo transfer. Customer saved semen is produced by Strong Technologies using the proprietary technology of the U.S. Patent Nos. 5,135,376; 4,372,422; 7,945,577; 7,280,355. Patent Pending. XDS is a trademark of TVI, Inc.
