

Forest Glen Flash Drive is a daughter of 014JE00507 Flash, a new release Jersey sire with beautiful udders and high components.

Additions to the proven lineup from our Alliance partners include some high type sires. **202HO00722 SAMSON** is a Mr Sam son from a Stormatic dam and is +2.77 PTAT, +2.62 UDC, +2.82 FLC and +1991 TPI. **218HO00157 ARTES** is a Goldwyn son that is over three points for type and udders (+3.16 PTAT, +3.20 UDC). Genervations sends us three Goldwyn sons that rank high. **250HO00896 LEXICON** and **250HO00904 LAKOTA** are high type sires at +2.89 PTAT and +3.03 PTAT respectively. **250HO00908 LOBO** is a higher production Goldwyn son that is a high component bull at +.14% fat and +.09% protein.

In the Jersey breed, **014JE00473 LOUIE** continues his long reign as the number one JPI sire at +209, an impressive eleven points in front of the second ranked bull.

We also added three new sires to the

Jersey lineup this time. **014JE00509 LIAM** is a high production sire that transmits great frames with that high production. LIAM is a Lexington son that will rank among the top 15 sires of the breed for JPI. **014JE00507 FLASH** is an Iatola son that transmits great components (+.12% fat, +.04% protein), high type (+1.5 PTAT) and outstanding udders (+3.89 JUI). Our third new Jersey release is

**014JE00519 LINCOLN**, Accelerated's first Blair son to return to active service. LINCOLN sires outstanding type (+1.4 PTAT) along with good production and fabulous udders (+3.90 JUI).

A new release Guernsey sire, **014GU00311 BEHOLD**, also enters the lineup. BEHOLD is a Challenge son that sires good production, nice type and is plus for health traits, making him one of the higher Net Merit bulls of the breed.

As you can see it was a very busy sire summary at Accelerated Genetics. Our goal is to provide you with the best available genetics that help to improve your herd and make your life easier. Take advantage of the great bulls available, and together we will continue to move ahead in the world of genomics.

## MAN-O-MAN FEATURED IN JULY 2011 ISSUE OF HOLSTEIN WORLD

Accelerated Genetics was excited to have 014HO04929 Man-O-Man featured in the July, 2011 issue of Holstein World! Man-O-Man appeared on the cover next to one of his third-lactation daughters, DeJong Man-O-Man 211 from DeJong Dairy, Ballico, Calif.

Inside, Man-O-Man's two page article focused on his lasting impact on the dairy industry, as well as how his sons and daughters are already having a large impact on the industry as well.

Thank you to all customers who advertised in that issue!
