

system. She is an Mtoto daughter with four elite records with the top surpassing 44,000 pounds of milk. Her lifetime production is 153,500 pounds of milk. She also is recognized as a Gold Medal Dam.

The third dam is a Gold Medal Dam Formation daughter with four tremendous records – the best being 53,440 pounds of milk, 1,753 of fat and 1,468 of protein. She has lifetime totals over 236,000 pounds of milk. The fourth dam is the legendary Wa-Del RC Blackstr Martha-ET, who is 2E Excellent-93 Excellent across and has recognition as a Gold Medal Dam and Dam of Merit. Her lifetime production totals are over 103,000 pounds of milk.

Siring a similar pattern to his sire, Kolton's daughters are tall, long, dairy and stylish. At +406 Net Merit, +2.7 Productive Life, +2.57 Somatic Cell Score, and +1.1 Daughter Pregnancy Rating, he stands out as one of the most balanced Goldwyn sons. His type proof of +2.51 PTAT, +2.42 UDC, +1.66 FLC and +1923 GTPI along with his unique sire combination have made him very

attractive in the marketplace.

Kolton sires fantastic udders that are snug and well attached with tremendous rear udder width and height. Further, they have superior udder quality with a strong udder cleft and great teat placement. He also sires outstanding feet and legs that track well from the rear. Kolton is an ideal mating for many of the popular current bloodlines, such as O Man, Scoop, Shottle, Tredway, Airraid, Bolton, Toystory, Billion, Lon, Marion, Boliver, Sailor, Nifty and Burt. Kolton's overall balance makes him an easy option for most mating programs around the world.

Released through the PACE program in the spring of 2007, Kolton currently has over 70 daughters milking and will add more as the winter moves on. He also has 57 daughters in his type evaluation and will continue to add more in the April genetic evaluation.

A great compliment to 014HO05411 Palermo, Accelerated Genetics' other elite Goldwyn son who sires a different type of cow, Kolton can add the perfect

blend of everything without siring any weaknesses. 014HO05399 Kolton is a great choice for your herd's future.

REDMAN DAUGHTER WINS SUPREME AT THE ROYAL

Blondin Redman Seisme VG-89

070HO09954 REDMAN-RED daughter, Blondin Redman Seisme VG-89, was named the 2010 Supreme Champion at the Royal Agricultural Winter Fair in Toronto. Just a month earlier, she was selected as the 2010 Reserve Supreme Champion at World Dairy Expo. Seisme is owned by Morsan Farms, Alberta, Canada.
