

# ACCEL COAT

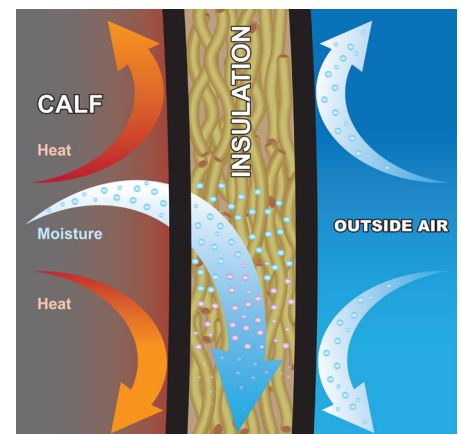

*High quality calf coat to provide additional protection to calves during cold weather.*

## FEATURES

- A proprietary insulation that wicks moisture away from the calf
- The outer shell has a double row of high density stitching and is made of high strength polyester with a urethane back
- Smooth inner lining
- Adjustable heavy-duty, quick release, elastic leg straps
- Adjustable brisket strap
- Machine washable

## BENEFITS

- Provides superior thermal capabilities.
- Water resistant and durable in the harshest conditions.
- Provides maximum comfort for calves.
- Ideal for calves of all ages and sizes.
- Dressing calf is a one person task.
- Ensures bio-security between calf uses.
